CHRISTINA TRUONG

WEB DEVELOPER | ASCP MLS

Web developer with experience building responsive web applications utilizing React, MySQL, NodeJS, Git and other modern technologies.

RECENT PROJECTS

Engauge – July 2019
https://serene-meadow-56536.herokuapp.com/
Engauge organizes data users input through forms into a mongoose database and accesses the information to dynamically create charts, maps and financial data using an API. My role involved utilizing get/post routes to dynamically create populate data in tables, creating table components using React.js and building search/filter functions for better user experience and organization.
MOMENT | MONGODB | MONGOOSE | PASSPORT | REACT

Heroes United – July 2019 https://heroesunited.herokuapp.com
Heroes is a collaborative multi-level, turn-based browser game that incorporates strategy and RPG elements. User authentication is used to access saved character statistics/game progression, jQuery for gameplay and a MySQL database for data storage. My role involved designing the game play, coding the combat system, and working with the front-end developers to tie in the game mechanics with the UI.
NODE | EXPRESS | MYSQL | SEQUELIZE | PASSPORT | D3

EXPERIENCE

UT Austin Coding Bootcamp   May – July 2019
Certificate program covering HTML5, CSS, jQuery, JavaScript, Responsive Design, Bootstrap, React.js, MongoDB, MySQL, Heroku, Security and Session Storage, and User Authentication.

WORK HISTORY

Med Tech Certified FT Nights   Nov 2018 – Apr 2019
Baylor Scott & White Medical Center   Pflugerville, Texas
Helped open a new hospital by performing validation testing, contributing ideas for lab layout, tracking inventory and streamlining workflow. Performed qualitative and quantitative analytical procedures to help diagnose and treat patients. Operated and maintained equipment using quality control, routine maintenance and calibration. Performed troubleshooting to overcome technical difficulties while running all lab departments alone at night.
COMMUNICATIVE | DETAIL-ORIENTED | EFFICIENT

Medical Technologist I   Feb – Nov 2018
Parkland Memorial Hospital   Dallas, Texas
